If Tommy Murphy isn't Out of Breath From Chasing That Championship So Long He Has an Outside Chance of Defeating Willie Ritchie To-Day.

Copyright, 1914, by The Press Publishing Co. (The New York Evening World).

Tommy Murphy isn't winded entirely he'll have an outside chance against Willie Ritchie to-day in San Francisco, even though Ritchie is a 10-3 favorite.

Tommy has been chasing that championship so long that he may be out of breath.

Probably no other first-class lightweight ever waited as long as Tommy Murphy for a title bout. Tommy has waited for the title ever since Joe Gans held it. Gans didn't fight Tommy because Tommy was a good deal of a kid at the time and Baiting Nelson was engaging his attention. Tommy did fight about everybody else.

When Wolgast became champion through defeating Nelson Murphy's chance for a big fight dwindled. The trouble was that Tommy had out-fought Wolgast in six-round decision last year before Wolgast met Nelson. Wolgast was too wise to risk his title against Murphy, whose style of fighting was just right to give Wolgast trouble.

After Wolgast had lost the title to Ritchie he fought Murphy and was beaten. Murphy has been matched with Ritchie before, but the bout was called off because Ritchie sprained an ankle. Willie was kind enough to give Murphy a chance, and to-night Tommy makes what will probably be his one great bid for the honors and a fortune. His best fighting has been done in California in long bouts. He has whipped Owen Moran, Wolgast and Abe Attie in California, and he gave McFarland a tough twenty rounds there too.

Of course Ritchie is a great fighter, a masterly boxer and a hard hitter. He should beat Murphy, and the early odds of 2-1 look about right. Still, Murphy has shown wonderful gameness and recuperating power and ability to fight long fights. He is trying every second of the time. If he lasts ten rounds against the champion it's likely he'll go to the end of the twenty and be fighting at the finish.

The confidence in the Murphy camp is shown by two postal cards I received yesterday. One reads: "Feeling fine for Friday. Wind up boxing Monday. Boxing better than ever."

The other: "Out here with Tommy Murphy. Take the short end, as Murphy is a sure winner."

"BET KEYS."

THE humble press agent of the Broadway A. C. has an alibi too. Last night he called on me.

"You didn't understand what I meant when I wrote you that Levinson was returning from a 'successful tour of the West,'" he said.

"Of course I knew all about Moha and Dillon, and all that, but what I meant by 'successful tour' was that it was a success financially and mentally. He made money on the trip, and he profited mentally from the experience. See?"

EDDIE CAMPI, the very clever boxer who has just come here from the Pacific Coast, and whose first Eastern engagement will be with "Louisiana," who beat Kid Williams the other night, is not an Italian.

Eddie was born in San Francisco twenty-one years ago. His father was of French descent, his mother Irish. His right name is de Camp. The "de Camp" being a little too long for ring announcers, they shortened it to "Camp," and then trying to get in the French twist by making it "Campi."

Whether it's the French strain or the Irish, or the combination of the two, Campi certainly can fight. He is said to be the best bantam ever developed on the coast. His one failure in the ring has been against Williams, who stopped him in twelve rounds. Just how Williams regards Eddie can be guessed from the fact that to-day he is absolutely refuses to meet him in a six-round no-decision bout unless paid \$2,000.

In that Western fight Campi took the match on short notice. He trained down from 130 pounds stripped to 115 in two weeks. That took the strength out of him. He out Williams up and beat him badly for eleven rounds, almost without being hit himself. At the end of the fight he had fought himself out, and in the twelfth he collapsed from sheer weakness. After the fight Williams was much surprised, while Campi didn't leave a scratch to show. He has had over a hundred ring fights in the past three years and hasn't a single mark of any kind. Among the few he has been "Frankie Burns and Ledoux, the French champion."

Kilbane Decisively Whips Julian. SYRACUSE, N. Y., April 17.—Johnny Kilbane, featherweight champion, scored a decisive victory over Kid Julian of this city in a ten-round bout. The title holder fought a careful battle throughout, never taking any chances and left the ring unmarked. In every round Kilbane had a good victory.

**EBBETS FIELD, April 17.**—After a rest of two days, due to continuous rainy weather, the Dodgers and the Boston Braves got going again here this afternoon in the concluding game of the present engagement.

A more perfect day for the national pastime could not have been asked for. The sun was on the job and this made it comfortable for both the players and the 3,000 fans who turned out to see the struggle. Southpaw Aitchison was sent in to do the twirling for the Dodgers with Miller behind the bat. Rudolph and Gowdy performed in the points for the visitors.

**FIRST INNING.**—Maranville patted a scorching grass-cutter to Egan who threw him out at first. Capt. Evers drove a fast jumper straight to Smith, who lost no time in throwing him out. Collins walked. Daubert matched Griffith's throw and retired him unassisted. NO RUNS.

Dalton's hot one was knocked down by Rudolph, who tossed him out at first. Cuthaw lifted a foul fly to Martin. Daubert then banged one of Rudolph's straight ones to left-center for two bases. Wheat was disposed of on his infield grounder, by Maranville and Schmidt. NO RUNS.

**SECOND INNING.**—Schmidt was easy for Aitchison and Daubert. Smith, who threw the ball to Miller, made a fine pickup of Martin's bouncer and got the ball over to Daubert in plenty of time. NO RUNS.

Smith singled to center. Stengel sacrificed, Rudolph to Schmidt. Egan then followed with a drive to right for a base, advancing Smith to third. Miller also hit safely, his single to center scoring Smith and advancing Egan to second. Aitchison fouled out to Schmidt. A wild pitch advanced both runners a base. Dalton was called out on strikes. ONE RUN.

Cuthaw lifted one to Collins. Daubert made a pretty bunt and Smith, who threw the ball to Miller, caught it. Daubert stole second and on Gowdy's wild throw down he kept right on to third. Gowdy's throw to Miller caught Daubert napping. Evers walked. Wheat rolled past third base but as Jake tried to score he was nailed at the plate on Maranville's throw to Gowdy. NO RUNS.

**FOURTH INNING.**—Collins fouled out to Daubert. Griffith fanned. Smith was also a victim on strikes. NO RUNS.

Smith slammed a long fly into Collins' hands. Stengel walked. Egan sent a line fly to Mann. Stengel was out stealing. Gowdy to Maranville. NO RUNS.

Havre de Grace Handicap Start  
of 1914 Eastern Racing Season

Horror and Miramichi Assigned Top Weight by Handicapper Vosburg.

The racing meeting that starts to-morrow at Havre de Grace, Md., really marks the opening of the season in the East. All the leading thoroughbreds are at the track now. These include strings from the Belmont, Whitney and Wilson stables.

W. S. Vosburg, in allotting the weights to horses in the Havre de Grace Handicap, the feature for to-morrow, has done his work so well it looks as if every horse has a chance. The race, a five and a half furlong affair, will bring together some of the best class of sprinters we have around the metropolitan tracks.

Handicapper Vosburg placed the top weight on Amos Turner's good sprinter, Horror. He is required to carry 126 pounds. He is a first class sprinter. Light of My Life, who stands third in the list of heavyweights, has not been hurried to show much speed up to a week ago.

Boxers of This Section Bid  
for Amateur Titles To-Night

Six of Them, Including Four Champions, Compete in Boston Tourney.

By John Pollock.

SIX of the best amateur boxers in this section, including four champions, will take part in the National Amateur Boxing Championships, the preliminaries of which will be held to-night and the finals to-morrow night in Mechanics Building, Boston. The fighters who will compete are: P. Krug of the National Turn Verein, New Jersey State 108-pound champion; Leo Elvin of the Union Settlement A. C., metropolitan 108-pound champion; J. Crocker of Pennant A. C., 115-pound class; M. Schwingner of Pastime A. C., 125-pound class; J. Jarecki of Bay Beach A. C. of Jersey City, New Jersey State champion, and W. Barrett of Pastime A. C., national 158-pound champion. The boxers left for Boston last night in charge of C. P. Kirschner of the Pennant A. C. and L. J. Madden of the Avonia A. C.

Although the twenty-round battle between Freddie Welsh, the English lightweight champion, and Leach Crofts will not take place at Vernon, Cal., until April 23, the followers of the game in Los Angeles have already begun to wager on the result of the fight, making Welsh the favorite in the betting at odds of 10 to 6.

Tom O'Rourke has closed down the National Sporting Club for the summer as he feels that with the scarcity of good talent and the warm weather the patrons of the sport will not attend the shows. He intends to resume his boxing shows either the first or second week in September. The club called off its entertainment last night because K. O. Brown was too ill to go on with Johnny Dundee.

Dan McKetrick, who is over in Paris, in a letter to Dan Morgan states that all arrangements for a return battle between Joe Jeanette and Georges Carpentier, the French champion, have been made, and that the men will meet for fifteen rounds at Luna Park next month. In their recent fight, which Jeanette won on points, the bout drew \$35,000.

Billy McCarney, who brought out Luther McCarthy, now has three fighters under his management. They are Al Norton, the Los Angeles heavyweight; Vic Hanson, the Los Angeles middleweight, who defeated Frank Mantell a few nights ago at Sacramento, Cal., and Stub Smith, the California lightweight. McCarney has matched Norton to fight Jack Dillon in Kansas City April 27.

Phil Cross, the retired welterweight, has just received word from his brother Louie that he is in excellent health, and furthermore that he expects to beat Freddie Welsh in their coming battle. "I am going to carry the fight to Welsh like I did to Willie Ritchie," writes Louie. "There is no chance of my being out of the ring by the time we meet." Louie is only waiting time to challenge McCarney for there is no chance of the latter agreeing to fight him.

The defeat of George Chip by Al McCoy has been responsible for making another fighter return to the fighting business. This scrapper is Frank Klaus of Pittsburgh, who was knocked out twice by Chip Klaus says he will go after a match with McCoy for the middleweight title. Klaus is only waiting time to challenge McCarney for there is no chance of the latter agreeing to fight him.

JAKE DAUBERT IS HELD  
FOR SUNDAY FIGHT.

Brooklyn's First Baseman Must Stand Trial for Violating Law.

Jake Daubert, the Brooklyn National Baseball Club's star first baseman, was held by Magistrate Reynolds in the Coney Island Police Court to-day in \$500 bail for trial in Special Sessions on the charge of violating the Sunday Baseball law. Richard Dede and Charles Coyle, attendants at the Parkway Driving Club, Kings Highway and Ocean Parkway, Brooklyn, were held also.

Daubert's team, the Oaklands, played a game at the club grounds last Sunday, and Inspector Dooley's detective said that admission was charged by the rule of selling a four-page pamphlet of the life of Daubert.

The Brooklyn Nationals are scheduled to play the Oaklands next Sunday and Inspector Dooley announced that if he would remove the players from the field if admission were charged.

**Shubert Stops Mulla in 8th Round.**  
LAWRENCE, Mass., April 17.—Shubert of New Bedford gave Mike Mulla of New York such a beating that the referee stopped the bout, which was scheduled to go twelve rounds, in the eighth round. Shubert had Mulla groggy in the fifth and would have scored a knockout only for the bell, and in the eighth had him so helpless that Referee Sullivan stopped the fight.

**Oaklands Play Brooklyn.**  
Jake Daubert's Oaklands will tackle the real thing next Sunday. Their opponents will be the Brooklyn Nationals' regular team. Manager Robinson will be in charge of the Superbas and the Scanlan will manage the Oaklands. The game will be played at the Parkway Driving Club, Kings Highway and Ocean Boulevard.
